

LHD Cable Accessory - Tie Wrap & Tool (ACA-TW/ACA-TWT) Alarmline II Series

Overview

The ACA-TW series tie wraps (cable ties) are designed to secure linear heat sensor cable to the LHD brackets and clips. The tie wraps are available in various temperature ratings for matching or surpassing the temperature specifications of the selected LHD sensor cable.

UV stabilised and stainless steel variants are suitable for outdoor applications whilst stainless steel variants additionally allow for the installation of very high temperature digital cable.

A tool (ACA-TWT) is available for the stainless steel tie wrap installation.

Stainless Steel Tie Wrap Tool

The ACA-TWT is a tie wrap (cable tie) tensioner and cutter for ACA-TWSS stainless steel cable ties.

Standard Features

Tie Wrap

- Easy installation of linear heat cable
- For use with LHD brackets and clips
- Indoor and outdoor applications
- Available in PA66, ETFE and stainless steel
- Available in quantities of 25 or 100

Tie Wrap Tool (Stainless Steel)

- Easy fitment of stainless steel tie wraps
- Tensions and cuts
